SIREN

KEY FOB

SMART HOME GATEWAY

- Hub for Honeywell Home Integration Platform which monitors and control sensors
- Connects with internet to send real-time alerts
- 4-hour battery backup for uninterrupted protection

SMART HOME MOTION SENSOR

- Senses every motion within effective range to trigger real-time alerts; also sends video clips if linked to IP camera
- Tamper proof, any movement or redeployment will trigger an alert

SMART HOME SHOCK SENSOR

- Senses physical shocks, sudden impacts or glass breakages and triggers real-time alerts
- Also sends video clips if linked to IP Camera

SMART HOME DOOR SENSOR

- Small wireless sensors that detects the status (open/close) of doors and windows
- Can be used in all types of doors including wardrobes, safes, etc.

SMART HOME SIREN

- Wireless and weather proof design
- Powerful sound prompter up to 90 DB
- Tamper proof design with LED Flash

SMART HOME KEY FOB

- The intelligent remote when connected to smart gateway helps to manage functions like arm / disarm for complete security
- SOS button for emergency cases to trigger alarm

STAY ONE STEP AHEAD OF UNWELCOMED GUESTS WITH SMART IP CAMERA

MOTION SENSOR

- Smart technology triggers notifications on your smartphone when it identifies any movement at home
- Smart-link camera with smart home door, shock and motion sensor to record clips on sensor triggers

SEAMLESS LIVE STREAMING

- Smooth streaming without compromising on detailed clarity
- External SD card support to store video clips in case the system is offline, sync back to cloud as soon as it's online
- 5 seconds pre and post trigger snapshot or video recording

TWO WAY TALK

- No matter where you are, you can always talk to your family using the camera

IR LED BUILT-IN NIGHT VISION

- IR LED built-in with night vision
- Complete protection with
- High-Definition video
- 1080p HD
- 120° vision

IP CAMERA

Input Power	DC 5V 1A (Micro USB)
Communication Method	Wi-Fi (2.4 GHz 802.11b/g/n), BLE 5.0
SD Card Max Capacity	128 GB
WiFi Security Supported	WEP, WPA, WPA2, EKIP, AES
Dimension	62 x 100 (mm)
Minimum Object Distance	20 cm
Lens	2.8mm / F1.8
Angle of View	120°
Night Vision	IR LED * 4, range 5 meters
Video Compression	H.264
Max Resolution	30fps (1080p/ 720p/ VGA/ QVGA)

SMART GATEWAY

Input Power	DC 5V/1A(Micro USB)
Communication Method	WiFi (2.4G 802.11b/g/n), BLE 5.0
Transmission Range	100m for open space, 25m for mixed
WiFi Security Supported	OPEN, WEP, WPA, WPA2, WPA+WPA2
WiFi Encryption Supported	CCMP/AES, TKIP/AES
Dimension	70 x 70 x 22.6 (mm)

MOTION SENSOR

Battery	DC 3.6V ER14250 1/2AA
Communication Method	BLE 5.0
Detection Range and Angle	Based on 2 meters installation height, can reach 120 and 9 meters
Dimension	72 x 64 x 24.5 (mm)

DOOR SENSOR

Battery	DC 3.6V ER14250 1/2AA
Communication Method	BLE 5.0
Detectable Gap	Max. 20mm
Dimension	52 x 24.5 x 20 (mm)

SHOCK SENSOR

Battery	Lithium coin cell
Communication Method	BLE 5.0
Dimension	35 x 33 x 10 (mm)

SIREN

Input Power	4 AA batteries
Communication Method	BLE 5.0
Dimension	135 x 85 x 48.5 (mm)

KEY FOB

Power Supply	4 AA batteries
Communication Method	BLE 5.0
Dimension	68 x 37.4 x 14 (mm)

ABOUT RESIDEO

Resideo is a leading global provider of critical comfort and security solutions primarily in residential environments, redefining the connected smart home experience for consumers by providing a safe, healthy and efficient home accessible to all. Building on a 130-year heritage, Resideo has a presence in more than 150 million homes, with 15 million systems installed in homes each year.

Our ADI Global Distribution business is the leading wholesale distributor of security and low-voltage products.
